

Royal Hotel Sanremo
2nd best hotel by the sea

Dear friends,

I am pleased to announce you that **Trivago**, the first independent network to find the nicest hotel at the best rate, has conferred to the Royal Hotel Sanremo the second prize for the regional category **best hotels by the sea**.

Since 1872, the **Royal Hotel Sanremo** is an icon for the Italian hotellerie and for the town of Sanremo, thanks to its services offered by a high qualified team in an exclusive and refined ambience.

Let's celebrate this award with a joyful plunge into our heated sea-water swimming-pool overlooking the enchanting **Ligurian Sea**.
