

Dear Friends and Colleagues,

With reference to the recent newsletter of our President Ezio A. Indiani, I would like to take this opportunity to greet you and introduce myself as the new Treasurer of Ehma.

I sincerely thank the Management Council for trusting me and being unanimously elected Ehma Treasurer for the next years.

I have been working in the hospitality industry for almost 50 years with different experiences in the various sectors of the Hôtellerie in Italy, Switzerland, France and Germany. I am currently the General Manager of Vestas Hotels & Resorts, i.e. three hotels in Lecce, Puglia - Italy.

I have been part of Ehma for 13 years and had the pleasure of meeting many of you on the occasion of our events and of working together during my long career in Italy and Europe.

It will be my care to devote all my attention and professionalism to the accounting and administration of the Association making sure to carry on my job with efficiency and transparency.

Also, I would like to thank Johanna Fragano for her excellent work that she has carried out with such dedication and a great sense of belonging to our association during the past ten years.

I welcome this opportunity to send warm regards and best wishes to the President, to the Management Council and to all of you with the hope that this critical period we are experiencing will soon come to an end and that we can all return to our normal lives stronger than ever!

Viva la nostra associazione, W EHMA!
